1. This is the time, moment, and who can see me standing there in my regalia, not; but bluejeans, and a t-shirt, not; suede jacket and am I cold inside, no, my heat generates only me now, me generating me, me generating, my word,s coming forth; slaying not the wicked in thought, but by thought their thought succumbs to truth, love personified that died for them/to take them now truth. I love you.
2. See me bow/bowing and persuading not but presenting my all'worth/all worthiness, not; but simply repeating words my father's origin. My words from my/me/father all powerful, not; against their will seldom going/pressing, but presenting I do all the time, not; but now do in precious substance of/being only me.
3. Watch me tear up the place, not; London, not; but London in being present tears-not; but that which heals many tears, scars, and lifts the fallen; into deadship not but life-abundance, life real, reality real, my kingdom one/real, really real; the only real. I love you all.
4. This is the time moment and who can see reality from un'd and what now thinkest about it not; what do'est thou now about it. For forcing your hand to, I don't; you do/will yourself. Events cataclysmic and who can see the waves forcing many things thought incorrectable/infallible not; infallible and worse not; that which isn't, to become that which is. I love you.
5. All fall on the ground not; none, but seeing me, surrender heart strings, not; heart,s full and true and never looking back become giants in my kingdom leading gianthood in only me, giant heart of surrender, love, compassion, passion for me and mine alone, who all are. Every nation tribe and tongue now hear me/of me, and of me not only, but see me they will. Inside them some will who surrendered have/will. I love you.
6. See my manifest presence not as/in thought by thought'ers thinking their thoughts resound me perfectly, I come and do/show a new thing (1), creating a people (2) that care, love, and are my kingdom like no other. See Joel and prophesieth what he did? A people great and strong the likes of never having been seen before or since for many generations. Yea a people great and strong who never end being, replicating themselves in love, light, and truth from one king, not; the king, mine/our father. We are/all are one being. I love you all.
7. Manifest my presence at Hyde Park you do, over and over, now and forevermore.

8. Rest and enjoy my words/presence, showing you things never imagined/dreamed of. Representing me, not; I you am me, we kingdom one are, me, our father, us being one with him, not; him being us being him and who; and delineate that which does not exist, except in boundarylessness, that knows no love, not; but is love perfect'd holiness/in holiness. I love you all. Amen.

9. Enjoy. Ride/roll one. Yes and amen. Of me. Rise in the clouds, not; or whosoever will? I love/now you. Me forever/forevermore.

I Am

This people have I formed for myself; they shall show forth my praise.

2. Psa 102:18 Let this be written for a future generation, that a people not yet created will praise the LORD.
